- Published on Apple [App Store](#)

### THE MOM APP

Flutter, Voice to text, Jwt, Ai Mea

February 2025

- Smart AI assistant for moms: calendar, meals, tasks, and secure password storage
- AI Meal Planning, Task Management with gamification (points-streaks)
- Notes, text message, grocery lists and more – Live on [Google Play Store](#) & [App Store](#) (2026)

## KEY ACHIEVEMENT

- 10+ projects completed 4+ apps published on Play Store & App Store
- Built scalable Flutter apps used by thousands of users.

## SKILLS

- Flutter
- Firebase
- Java
- REST APIs
- Real-time Systems
- In-App Purchases
- Google Maps
- App Deployment
- Apple store-Play store
- Dart
- XML
- Swift
- Github
- CI/CD
- GetX
- Stripe
- WEBRTC
- Html/CSS

## EDUCATION

- Diploma in Computer Science

Borak Polytechnic Institute

2025 - Ongoing Server, Bangladesh

- Secondary School Certificate

Rangtia High School

Passed 2022 | GPA: 4.28

## INTERESTS

- Exploring new technologies
- Playing football
- Competitive Programming (LeetCode, 12+ problems solved)
- Participated in activities at Borak Polytechnic programming contest.
- Try to join programming contests.
